

AP Economics

Summer Assignment 2018

Mr. Sushinsky

Read chapters 1-3 of the book Principles of Macroeconomics for AP Courses. Memorize the key terms on pages 23, 42, and 73. You do not need to write out the answers to the questions at the end of each chapter, but if you cannot answer any of the questions, then you are not prepared to move on to the next chapter yet.

There will be a Test on chapter 1 on the second day of class, a test on chapter 2 on the 5th day of class, and a test on chapter 3 on the 8th day of class, so study well this summer to start the year off right.

The entire textbook can be found at <http://cnx.org/content/col11864/1.2> or <https://openstax.org/subjects/ap>.
