

Greek 551-552: Intermediate Greek

The entire first quarter will consist of a rapid review of all of last year's grammatical and lexical material. You'll have a Google document shared with you by the last week of August that will have all the assignments for the first quarter. All additional assignments will go there and that will be the master syllabus from which all of us work. If you'd like access to this spreadsheet during the summer, be sure to email Mr. Cox at tcox@heights.edu. If you do not email him, he will ask for your email on the first day of class and grant you access by the end of the first week of school.

There is a Quizlet notecard set that I have made for all the vocabulary in Chase and Phillips. Use it to keep your vocabulary fresh over the summer. My Quizlet decks can be found at <https://quizlet.com/class/5587029/>.

Your summer assignment is to drill vocabulary, particularly the first three principal parts of all the verbs you have learned thus far, as we will be adding considerably to that foundation and it needs to be strong.

Additionally, I'm asking all of the students to read the Acts of the Apostles in English to familiarize themselves with the stories that we'll be studying in Greek throughout the year.

The first few days will have a small quiz every day, which will set the tone for the rest of the year wherein every class day will include a quiz. The first three quizzes are as follows:

Day 1 – The Greek Alphabet

Day 2 – The First Declension Noun

Day 3 – Act of the Apostles Quiz (in English)
