Spanish 2
Summer Study Program

¡Bienvenido a Español 2!

In order to maintain your Spanish skills at a high level, please complete the following exercises in the Curso Primero Book. These are all review exercises that have been completed at least once during the Spanish 1 course, and which provide an excellent review of the concepts and skills learned during that course.

Write your answers on the attached answer sheets.

The assignment is due on the first day of school in the fall. Please bring the completed sheets to class on the first day. The exercise is equivalent to one test grade in Spanish 2 during the first quarter. In other words, upon correct completion and submittal you will start the course with an A+! In addition, on the third day of class you will have a vocabulary quiz on the contents of pages 245 – 248. You will need to study this vocabulary during your summer study sessions since you will be very busy with the start of the new school year.

Please do not hesitate to contact me at aacevedo@heights.edu or 301-356-4300 ext. 116, if you have any questions concerning the work. I will respond within a couple of days, since I may be out of town for several days during the summer.

This work should take only two to three hours per week. But will take forever to complete if you wait until the last minute! While you are working, read the questions and answers in a loud voice, stressing good pronunciation as you complete the exercises.
